

Glenmorangie Nectar d'Or 12 year old

46%

Nectar D'Or is aged in bourbon barrels for 10 years, before 2 years of finishing in sauternes wine casks. The nose offers apricots in syrup, honey, walnuts, and ripe green grapes, while the oily palate yields citrus fruits and honeyed cereal notes, along with white pepper and wood spice. The finish is long and oaky, with a fleeting return of apricots.
