

Ardbeg Drum

46%

This Ardbeg Day 2019 bottling was aged in bourbon barrels before a period of finishing in rum casks. Characteristic Ardbeg citrus and smoke on the nose, but with the addition of green figs, eucalyptus, antiseptic, and brine. Very smooth on the palate, with woodsmoke, mango, and papaya. Big peat and black pepper notes in the finish, underscored by tangy citrus. Ultimately, ashy smoke.
