

## **Cream of Kentucky 11 year old Straight**

**51%**

The dried fruit, almost like Fruit Roll-Ups, quickly veers toward circus peanuts candy, taffy, and bubble gum, with notes of herbs—especially dill. The palate remains a bit of a fruit bomb, with banana, peach puree, dried papaya, and other tropical fruits, then clove and allspice add some complexity.

A flavorful, if slightly peculiar bourbon dominated by tutti-frutti flavors and dill.
