

**Belle Meade 9 year old
Oloroso Sherry Cask
Finished**

45.2%

Buttery, nutty, and richly spiced, this has all the hallmarks of a sherry-finished whiskey—dried fruit, hazelnuts, chocolate—but retains its bourbon core with strong peanut, concord grape jelly, and roasted corn aromas. On the palate, it's bourbon first: peanuts, cooked cherries, and plenty of oak. But the sherry softens and rounds out the mouthfeel, adding gentle spice, dried fruit, and silkiness.
