

Bearface Triple Oak

42.5%

Master blender Andres Faustinelli began with 7 year old Canadian whisky which he finished, first in tight-grained French oak wine barrels and then in air-dried virgin Hungarian oak. This wonderfully mouth-filling, fairly complex dram begins dry and closed, developing caramel, char, exotic woods and spices, berries, red grapes, luscious red wine, glowing heat, pulling tannins, and sandalwood, with butterscotch-like vanillas, luscious dry fruits, and a rich, rye-like, spicy texture.
