

Niagara Falls Rye

40%

A straightforward 4 year old Canadian blend, great for mixing, but good for sipping too. It presents flavors of toffee, brisk spices, kiwi fruit, charred wood, and sweet barley sugars. A creamy body with pleasingly penetrating pepper that feels minty-warm, like menthol. Not overly complex, but getting there. More pepper and a refreshing, slightly bitter pithiness on a medium finish. A creamy palate soothes the energetic attack of the spices.
