

West Cork Export Stout Cask Finish

40%

The trend for finishing Irish whiskey in beer barrels now connects Skibbereen and Castle Island Brewing Co. in Massachusetts, creating this breezy dram with aromas of lemon curd, shortbread, vanilla frosting, and dry spices, with plenty of coastal character. Melon, blossom honey, and peach on the palate, before a real creaminess develops, smudged by gentle spices. The later phase has toffee oozing from lemon bonbons, vanilla cake mix, and more fruity richness. (3,900 bottles)
