Straight Bourbon**

45%

The nose feels dense and richly layered as cedary oak and sandalwood incense take the lead, while a deeper dive reveals toasted walnuts, licorice, and cocoa. The palate serves up plenty of sweet butterscotch, juicy grapefruit, and shaved coconut, before drying oak tannins sweep in, delivering coffee and dark chocolate cake on the finish. A supple mouthfeel and long finish enhance the overall delicious impression made by this bourbon. Shows best at full proof. *Best*
