

Tincup American Whiskey

42%

A blend of high-rye bourbon from Indiana and a small amount of Colorado single malt. Black tea, cooked stone fruits, blackberry jam, white pepper, and cinnamon toast on the nose. The palate is sweet and light, with hot cocoa mix, toasted oak, cola, iced tea, orange, and clove that crescendos in a flash of heat and then subsides. Dried blueberries, dark chocolate, and integrated oak on the finish. Water not recommended. *Best Value*
