Single Barrel 11 year
old Tennessee Whiskey

This is mature whiskey at its most refined: a balance of fruits, nuts, sweetness, and restrained oak.

The nose has it all: salted, buttered pecans, rock candy, Dr.

Pepper, blackberry jam, dried blueberries, caramel corn, tobacco barn, and old leather chair. It's practically dessert-like in the mouth, with dark chocolate-covered caramel, candied pecans,

Goo Goo Clusters, cherry cola, blackberry and blueberry jam, and a kiss of white pepper. The finish stays consistent, a mouthwatering mélange of caramel, chocolate, and nuts. Harmonious, seamless, and silky—you'd never guess the proof.
