

**Jameson Caskmates
Angel City Brewing Co.
Edition**

40%

A brilliant collaboration with the Los Angeles craft brewery, the nose has red apple, dry grasses, orange pith, toasted bakery goods, and background spices. The beer influence is every bit as good as Caskmates IPA. The palate is classic Jameson: honeyed, soft, light fruit, vanilla, and peppercorn, developing a wonderful creaminess, dark orange, further spices, and lastly, chocolate notes. Glowing and kind of dreamy.
